

YEAR 6 AUTUMN 3

SCIENCE

Electricity

- How do I draw a scientific diagram of a circuit?
- How does the voltage in a circuit affect the brightness of the bulb?
- How do I plan a fair test experiment to investigate the variations in how components work?
- How do I write a conclusion for my investigation?

PE

Gymnastics

Forest School

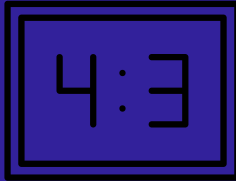

MATHS

-Converting Units

-Ratio

-Algebra

-Decimals

$$a^2 + b^2 = c^2$$

ENGLISH

-
BOOKS

- The Arrival
- The Boy in the Tower

WRITING

- Letter
- Suspense narrative

ART

Activism

Children will design and create a model of a new playground featuring the five apparatus made from 3 different structures. Creating a footprint at the base, pupils visualise objects in plain view and get creative with their natural features.

+ RE

HUMANISM

- I can explain what makes someone become humanist
- I know what they believe and how this has evolved over time
- I understand atheism is the belief in no god

PSHE

Celebrating differences and managing conflict.

SPANISH

My Family

GEOGRAPHY

Why does population change?

- How is the global population changing?
- What are birth rates and death rates?
- Why do people migrate?
- How is climate change impacting population?
- How is population impacting our environment? (data collection and findings).

COMPUTING

Creating Media (Vector Graphics)
